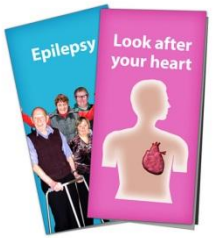
Community Nursing

What we do:

We can help you to know what to do to keep healthy



We tell you where to go to get help with your healthcare

We can give you information in easy words and picture

We work with you, your family or carers and other people who provide care so you can stay healthy

What we do:

We ask questions to find out if help from the learning disability team is right for you

We provide specialist care for some of the health conditions that people with a learning disability may have

We work alongside the Health Facilitator who helps you when you have your health checks

We tell the liaison nurse what help you need if you have to go to hospital
