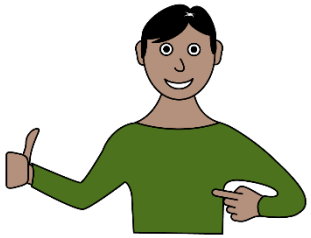
Occupational Therapy Environment Checklist

Being in the right environment is important



It will support you with your health and wellbeing.

It will help to make sure the environment is right for you.

Your environment can be:

Your home
Your college
Your day service
Your community

To do the checklist we will

Speak to you

Speak to the people who know you well

Ask them questions

We will write a report

We will let you and other important people know what we found out.

It will help the people who work and care for you.
