Transport Information

Where possible we try to arrange screening locations so that they are accessible via public transport the best we can, but we understand that not being able to drive from your appointment may be difficult.

If you need help with transport to attend your eye screening appointment, please see the following:

Our staff will also be able to provide phone numbers of voluntary car schemes in your local area if you ask in clinic or call our office.

Alternatively, your GP practice should have information on local voluntary car schemes.

Ambulance Service Transport (AST)

If you need AST, you may have to wait 2 or more hours for collection, please

- Book a morning appointment, weekdays only
- Bring food and drink
- Bring medication

Please note, Diabetic Eye Screening staff cannot offer any medical or carer assistance. Please bring someone with you if you require extra support.

- Staffordshire AST: 0330 380 0515
- Shropshire AST: 0300 777 0077

Please arrange your transport with AST as soon as possible.
