Occupational Therapy Assessment of Motor and Processing Skills (AMPS)

We will

Look at things you do to look after yourself like:

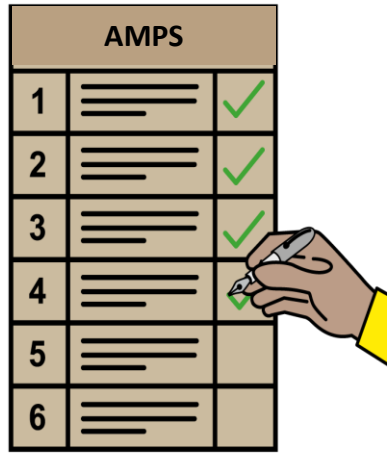

Getting dressed

Making a snack or drink

Making your bed

Housework

What you will do

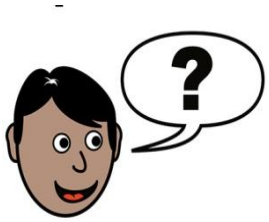

You will do the activity and we will write things down.

When you do the activity we will not talk to you.

We will then ask you to complete the next activity.

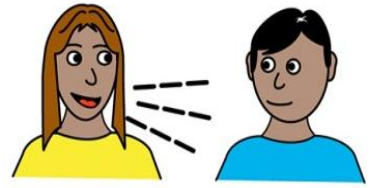

We would like to find out:

Things you are good at.

Things you may need help with.

What the OT will do after

Speak to you

Speak to your carer

Write a report

Answer any questions
