Sensory Integration Assessment

For Adults with a Learning Disability

What is Sensory Integration?

You may find some of these difficult -

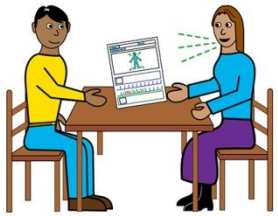

Touch
Taste
Noise

Smell
Sight
Movement

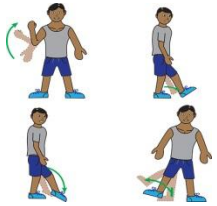

What will we do?

We will ask you how different things feel

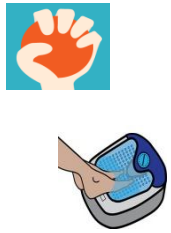

We will watch you doing different things

We will watch you doing some exercise

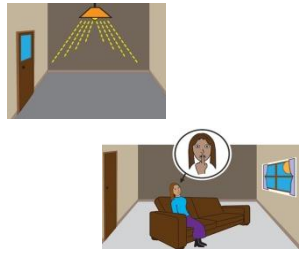

How we can help?

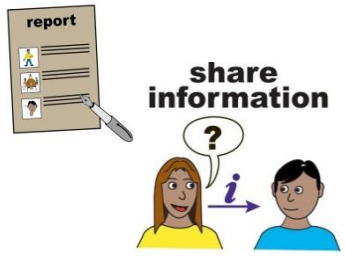

We may suggest things to help you calm down

We may suggest things that help you work better

We may suggest how to change your environment to make it quieter or organized

We will write a report that you can share with people who care for you
